

## Decorative Walkway

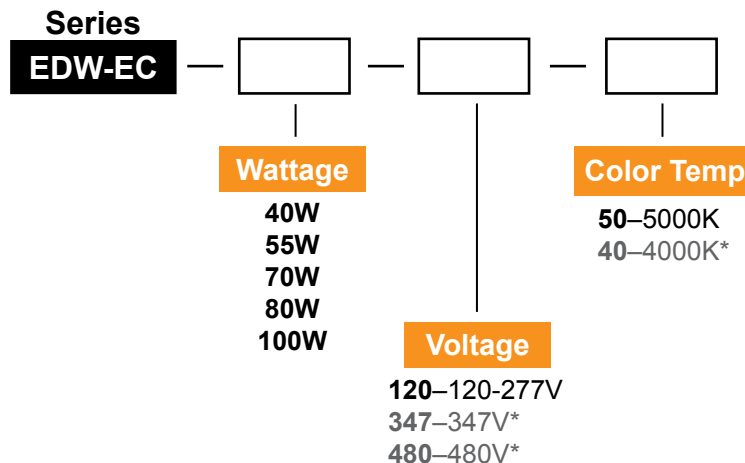

### Description

- Series: EDW-EC
- Lamp Life Rating: 100,000 hours
- Lumen Maintenance: 70% over 100,000 hours
- Light Output: 5000K, 82-85 CRI
- IP Rating: 54
- Applications: Parks, shopping malls, outlets, plazas, city halls, historic areas, city sidewalks
- Warranty: 10 Year Limited

### Specifications and Patent Pending Features

- Decorative architectural design with corrosion resistant powder coated aluminum alloy housing
- Smooth flat lens provides effective light distribution and reduced glare
- Integrated light lid reduces high beam angle and promotes dark sky integrity
- Induction lamp geometry ideal for even Type V distribution
- Electronic ballast with high power factor
- Excellent vibration and shock resistance
